MARKET RATE ADJUSTMENT

As of January 1, 2016, providers in Tier 1 and 2 counties may receive Market Rate Adjustments in their Subsidized Reimbursement for infants and toddlers as specified by the General Assembly in Session Law 2015-241, the budget bill for 2015-16.

This change will not affect your ability to have one Private Paying Rate adjustment during the calendar year. Rate adjustments go into effect on the first day of the month following a 30-day notice of the rate change.

If you have questions about the new Market Rates, please contact your Local Purchasing Agency.
