Changes for Family Child Care Homes

Child Care Rule .1718 Requirements for Daily Operations

The operator shall provide the following on a daily basis for all children in care:

(10) Adequate supervision as described below:

- (a)** For children who are awake, staff shall interact with the children while moving about the indoor or outdoor area, and shall be able to hear and see the children at all times, except when emergencies necessitate that direct supervision is impossible for brief periods of time.
- (b)** For children who are sleeping or napping, the staff are not required to visually supervise them, but shall be able to hear and respond quickly to them. Children shall not sleep or nap in a room with a closed door between the children and the supervising staff. The staff shall be on the same level of the home where children are sleeping or napping.
