3 **10A NCAC 09 .3006 DEVELOPMENTAL SCREENING**

4 (a) All children enrolled in the NC Pre-K program must receive a developmental screening, unless the child has an
5 existing Individualized Education Program (IEP). The developmental screening shall be conducted by a
6 professional trained in administering the screening. Children must be screened within 90 days after the first day of
7 attendance in the program or within six months prior to the first day of attendance. The screenings shall be used
8 solely for the purpose of identifying children who should be referred for further evaluation and testing based on
9 concerns in one or more developmental domains.

10 (b) Children shall be screened using one of the approved screening instruments as indicated in the NC Pre-K
11 contractual agreement.

12 (c) Site-level administrators shall review all developmental screening results and shall ensure that all necessary
13 referrals related to the results have been made.
